Consider the following problem statement:

<problem_statement>
Cherry-pick the changes from the merged pull request #16618 (fix(calendar): fix date styles and formatting) into the 21.0.x branch. Ensure all fixes for date styles and formatting in the Calendar component are accurately applied to maintain consistency across versions.
</problem_statement>

Implement the necessary changes to the repository so that the requirements specified in the <problem_statement> are met.
